Re: Withdrawal
PB Ref: 021138.0100

Dear Michael:

As I have discussed with you several times by phone, email and in person since last November, we need to receive payment for amounts owed by Intelagents (formerly CityMainStreet), or we will be forced to withdraw from representation of Intelagents before the United States Patent and Trademark Office. A copy of the latest invoice detailing the amounts owed is enclosed. If we have not received payment by May 18, 2004, we will withdraw and return your files to you at the Lake Barrington address, as you have requested.

If you have any questions, please give me a call.

Very truly yours,

Re: Patton Boggs Billing Through March 31, 2004
PB Ref: 021138.0100

Dear Michael:

Enclosed is our invoice for March 2004. A Summary Of Current Billing is also enclosed. The total billed this month for Intelagents is \$63.87, which includes \$62.50 in fees and \$1.37 in expenses.

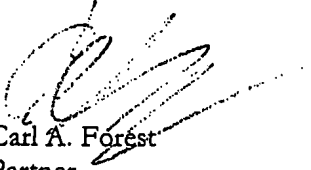

Please note that the attached invoices probably do not reflect all of the disbursements (such as foreign agent fees, USPTO fees, photocopies, fax, postage, etc.) which have been charged in these matters. Because attorney time is billed daily, but disbursements are billed at most monthly, disbursements associated with an attorney's work usually are billed in the following month. Moreover, disbursements such as telephone charges, most government fees, foreign agent charges and others are only billed when we receive the bill from the vendor. Thus, these fees often trail the work done by two or more months. Thus, it is likely that you will receive further invoices that include charges for disbursements associated with the attorney time charged on the enclosed invoices.

Please make your check payable to Patton Boggs LLP and remit it to our Denver office address at 1660 Lincoln Street, Suite 1900, Denver, CO 80264-1901, rather than sending it directly to our Washington office. We will ensure that your account is properly credited.

If you should have any questions regarding your invoices, such as format, disbursements, or the substance of time charges, please contact the undersigned.

Thank you for your confidence in our firm. We appreciate the opportunity to be of service to you.

Very truly yours,

Carl A. Forest

Re: Patton Boggs Billing Through December 31, 2003
PB Ref: 021138.0100

Dear Michael:

Enclosed is our invoice for December 2003. A Summary Of Current Billing is also enclosed. The total billed this month for Intelagents is \$8.00, which includes \$8.00 in fees only.

Please note that the attached invoice probably does not reflect all of the disbursements (such as foreign agent fees, USPTO fees, photocopies, fax, postage, etc.) which have been charged in this matter. Because attorney time is billed daily, but disbursements are billed at most monthly, disbursements associated with an attorney's work usually are billed in the following month. Moreover, disbursements such as telephone charges, most government fees, foreign agent charges and others are only billed when we receive the bill from the vendor. Thus, these fees often trail the work done by two or more months. Thus, it is likely that you will receive further invoices that include charges for disbursements associated with the attorney time charged on the enclosed invoice.

Please make your check payable to Patton Boggs LLP and remit it to our Denver office address at 1660 Lincoln Street, Suite 1900, Denver, CO 80264-1901, rather than sending it directly to our Washington office. We will ensure that your account is properly credited.

If you should have any questions regarding your invoice, such as format, disbursements, or the substance of time charges, please contact the undersigned.

Thank you for your confidence in our firm. We appreciate the opportunity to be of service to you.

Very truly yours,

Re: Patton Boggs Billing Through September 30, 2003
PB Ref: 21138.100

Dear Mr. Michael:

As you requested of Phyllis Wood, enclosed are our invoices for September 2003. A Summary Of Current Billing is also enclosed. The total due of intellectual property matters is \$59,043.47 of which \$52,600.87 is for patent matters and \$6,442.60 for trademark matters. This includes prior balances due and new billing of \$22,804.65 for patent matters and \$1,499.15 for trademark matters. The remaining retainer of \$4,302.50 has been applied to these invoices, to arrive at the total amount due given above.

As I mentioned in the email, the Ceramic Chip Antenna (21138.0101) and Radiation Detector Chip Antenna (21138.0102) patent applications are ready for filing so I have added in the filing costs. The Cargo Container Retention bar (21138.0105) and survival pack (21138.0106) applications are still a ways from being done, but are far enough along that I can estimate what they will cost if you would like us to bill those to completion also. Just send me a reply email if you want me to do that.

Please note that the attached invoices probably do not reflect all of the disbursements (such as foreign agent fees, USPTO fees, photocopies, fax, postage, etc.) which have been charged in these matters.

Please make your check payable to Patton Boggs LLP and remit it to our Denver office address at 1660 Lincoln Street, Suite 1900, Denver, CO 80264-1901, rather than sending it directly to our Washington office. We will ensure that your account is properly credited.
